Bowers, Littlestown; Roy Biddle, Littlestown R. 2; Benjamin Baldwin, Biglerville, and William H. Anthony, Littlestown R. 2.

Two Civil Suits Off List

Five civil suits were set down for trial by the court this morning. The assumption action brought by Franklin Research Distributors against Penn Ceramic Manufacturing Co., Aspers, was listed as "not for trial at this time." The assumption action of James F. and Betty Jane Kile, Aspers R. 1, against Clair F. and Marie R. Ditzler, individually and doing business as Ditzler's Store, York Springs R. 1, was reported as settled.

The cases listed for trial are the trespass action brought by the heirs of Harry M. Bacon, late of Savannah R. 5, Ga., against Wesley A. Holsington, Highland Park, Mich., and Interstate Motor Freight System, Grand Rapids, Mich.; action in trespass brought by Raphael J. Klunk, Littlestown R. 2, against Charles E. Beneschoff, Littlestown R. 2; the assumption action brought by Dr. Richard C. Newsham, Hanover St., against the United Telephone Co. of Pennsylvania; the trespass action of Anna B. Hall, Gettysburg R. 4, was listed as continued to January term.

Littlestown Man Faces Two Charges

Howard O. Doderer Jr., Littlestown, will be given a hearing this evening on the disorderly conduct charge for which he was arrested early Saturday morning. He has also been charged by Roger C. Gouker, Littlestown R. 2, with operating a car without the owner's (Gouker's) consent. Doderer was arrested by police when he was found near the scene of an accident, in which Gouker's car knocked down a light pole near Evergreen Cemetery. Doderer is said to have admitted having been a passenger in the car, but denied having driven it.

Insurance Firms File Suit Replies

The Paradise Mutual Fire Insurance Co. and the Protection Mutual Fire Insurance Co. of Littlestown, defendants in the action in assumption which Charles E. Beneschoff, Littlestown, has filed, have filed their answer with the office of the prothonotary. Beneschoff stated that the companies have refused to pay damages which his barn suffered in a windstorm, and is suing them for \$2,392 which he says is due to him. The companies' reply is that the barn was in a "decayed and dilapidated condition" and that this plus the weight of the contents caused the collapse of a part of it in the windstorm, and not the storm itself.

"CHARM OF FALL"

I love to go out yonder . . . o'er fields of new-mown hay . . . and drink in all the fullness of . . . a clear brisk autumn day . . . I marvel at the foliage . . . consumed in red and gold . . . the afterglow of promise . . . Dame Nature has foretold . . . cool breezes are a tonic . . . that temper every woe . . . yes, worry seems to drift away . . . when winds of autumn blow . . . great flocks of birds wing southward . . . I watch them soar on high . . . they know that fall has started . . . and winter soon is nigh . . . to sleep go trees and flowers . . . resting without a care . . . rebuilding for the summer . . . when they will bloom so fair . . . yes, I observe the changes . . . that every year enthrall . . . and thank my God I'm captured by . . . the magic charm of fall.

The annual Veterans' Day program was presented during the Sunday School roud at Redeemer's Reformed Church yesterday at 9:30 a.m. Ray LeGore, Manchester, Md., was the guest speaker. The program was in charge of the Young Men's Sunday School Class and Dr. Richard M. Phreaner, class teacher, was leader.

The program was as follows: Group song, "My Country 'Tis Of Thee," accompanied by Miss Marilyn Spangler; prayer in unison, led by Dr. Phreaner; Scripture, Theron J. Basehoar; reading, Robert W. Hall; tenor solo, Stewart N. Long, accompanied by Miss Spangler; group song, "America, the Beautiful," class records; introduction of speaker, Dr. Phreaner; address, Ray LeGore, who spoke about the first Armistice Day; closing with the Lord's Prayer.

Rev. Leeming Preaches

"That Arm That Saves" was the subject of the sermon delivered by the Rev. Arthur E. Leeming, supply pastor of Redeemer's Church, at the Sunday morning worship service. The Scriptures were read from Judges, chapter seven. The Senior Choir sang the anthem "Onward Christian Soldiers," Sullivan, under the direction of Samuel H. Higin-

33rd wedding anniversary. It was announced that the Sunday school superintendent appointed the following nominating committee: Erwin A. Rebert, Amos S. Carbaugh, Mrs. Mervin L. Myers, Mrs. Bernard W. Dutterer and Clyde L. Sterner. This committee will meet at its convenience. The quarterly repair fund envelopes will be collected next Sunday. The trustees have set the goal at \$150. The Rev. Mr. Koons announced that 32 men of the church attended the annual consistorial banquet of the Mercersburg Synod held on Thursday in Fairfield.

Other announcements of events for the coming week follow: Tonight, 7:30 p.m., Adams County leadership training school at St. James Lutheran Church, Gettysburg, Tuesday, 7:30 p.m., choir rehearsal. Wednesday, 7:30 p.m., meeting of the King's Daughters Sunday School Class at the church, with Mrs. Ralph I. Unger as leader. The hostesses will be Mrs. Stanley R. Sell, Mrs. Bernard W. Dutterer, Mrs. Orville C. Seitz, Mrs. Alvin G. Gerrick and Mrs. G. Howard Koons. Thursday, 8:30 a.m., the Rev. Mr. Koons will be in charge of the morning devotions over radio station WHVR, Hanover.

Mrs. Ruthanna Starnier will serve as hostess at the November meeting of the Ever Willing Sunday School Class of St. John's Lutheran Church on Tuesday evening at 7:30 o'clock at the church.

The Rotary public information committee, composed of P. Emory Weaver, chairman and Theron W. Spangler will be in charge of the program at the meeting of the Littlestown Rotary Club on Tuesday, 6:30 p.m., at Schottie's Hotel.

those attending the dinner with a new portrait of himself.

A huge cake was cut and numerous congratulatory messages were received from children, grandchildren, Henry M. Scharf, manager of the hotel, whom Mr. Spangler introduced to the family as "my friend," and others.

Among those at the dinner were: Mr. Spangler, his sister, Miss Minnie A. Spangler, York St.; his son and daughter-in-law, Mr. and Mrs. Howard A. Spangler, a sister-in-law, Mrs. Annie Spangler, and a niece, Miss Helen Spangler, Chambersburg St.; a nephew, whom he raised, David Oyler, York St., and Miss Leonide V. Bowling, who has been housekeeper at the Spangler home for almost 20 years.

Also present were the grandchildren and their families: Mr. and Mrs. Eugene Spangler, Harrisonburg R. 4, Va., and children, Patricia, Thomas, Bunnie and Kitty;

botham and accompanied by Mrs. George A. Stonieser, church organist. The altar flowers were placed by Mr. and Mrs. Donald G. Garner in memory of her mother, Mrs. Annie Wisotzkey. The bulletins were given by Dewey M. Henry in memory of his parents, Mr. and Mrs. Simon Henry.

Redeemer's Church calendar was announced as follows: Tonight, 7:30 o'clock, monthly meeting of the Children's Department teachers at the home of Mrs. Kenneth K. Kroh, near town. Tuesday, 7:30 p.m., November meeting of the Ladies' Aid Society in the church social hall with Mrs. Melvin Shanbrook, Mrs. Mervin LeGore and Mrs. Richard M. Phreaner serving as hostesses. Thursday, 6:30 p.m., Junior Choir rehearsal; 7:30 p.m., Senior Choir rehearsal. Friday, 8:30 a.m., the Rev. Mr. Leeming will conduct the morning devotions over radio station WHVR, Hanover. Sunday, Nov. 4, the worship service will begin at 10:45 a.m. Tuesday, December 7, the annual Christmas party will be held by the Ladies' Ever Faithful Sunday School Class in the church social hall.

Mr. and Mrs. John Way, Philadelphia, formerly of town, announce the birth of a son, Michael William, on November 1. Michael William is the Ways' sixth child.

Democrats said they do not intend to be "too harsh" on the Republicans, recalling that there are other elections forthcoming.

Residents along the route are asked to participate in another "old fashioned" favorite of many years ago. Once the town celebrated every event with an "illumination." Everyone put a candle or candles outside his house as part of the "illumination." In accordance with more modern times, the Democrats are urging everyone along the parade route to turn on his porch light to lighten the streets and provide an "old fashioned illumination" with a modern twist.

Feared Fire Too

With the doors of the Coulson garage smashed, it was impossible to obtain the Coulson tow truck, or to remove other cars in the garage.

Wolf's tow truck was finally secured to pull the Starry car onto its wheels and the group that had been assembled by the sound of the crash was able to remove the operator. Starry had apparently been knocked unconscious by the accident and spectators at first had thought him dead.

Because of the ripped out gasoline pump, the kerosene spilled from the overturned kerosene pump and gasoline running from the smashed tank of the Starry car, the York Springs fire department was called and stood by until the danger of fire had passed.

Littlestown HOMECOMING DAY OBSERVED BY METHODISTS

Homecoming Day was celebrated in the Centenary Methodist Church on Sunday. All of the annual Homecoming services were largely attended by the congregation, former members and friends of the church.

The largest congregation of the day was present at the evening service, which replaced the Sunday evening union vesper service. A sacred concert was rendered by the fifty-two voice choir from Dickinson College, Carlisle, with Prof. John Steckbeck directing. The Rev. Herman E. Stenger, pastor of Centenary Church, gave the prayer and the benediction was pronounced by his father, the Rev. Harry C. Stenger, superintendent of the Methodist Home for the Aged at Tyrone, Pa.

The annual Veterans' Day service and union vesper service will be held next Sunday at 7:30 p.m. in Centenary Church. The service will be attended by the members of the local veterans organizations and their auxiliaries, as a group. The guest speaker will be the Rev. Russell T. Shilling, pastor of the West Manheim charge, who is a major in the Chaplains' Corps and a member of the United States Army Reserve, attached to the 79th Division Artillery, Harrisburg. He is a veteran of four years service in World War II in the Philippine area.

Dr. Welliver Preaches

The Homecoming services began with the divine worship at 10:30 a.m. Miss Jane Barton presided at the organ throughout the services. The worship opened with the organ prelude "The Lost Chord" and the call to worship was given by the choir, and the processional hymn "We Gather Together." The Rev. Dr. Lester A. Welliver, president of the Westminster Theological Seminary, Westminster, delivered the sermon on the subject "Open Doors." The choir sang the anthem "Teach Me Thy Will" and led the congregational hymn "I Heard the Voice of Jesus Say." The Homecoming bulletins contained messages of greetings and welcome from both pastor, the Rev. Mr. Stenger and the superintendent of the Church School, Chester S. Byers.

At the 2:30 service, a sacred concert was presented by an 11-member girls chorus from the Methodist Children's Home at Mechanicsburg. The chorus was directed by the Rev. Victor Hahn. This service was followed with a worship at 3 p.m., when the pastor's father, the Rev. Harry C. Stenger read the Scripture and assisted with the service. A vocal

duet "God's Way" was sung by Mrs. Leslie Yohn and Chester S. Byers. The afternoon message was brought by the Rev. Dr. F. LaMont Henninger, superintendent of the Harrisburg District, on the subject "The True Meaning of Cross Bearing." Congregational hymns included "I Love Thy Kingdom Lord," "More Love To Thee" and "The Church's One Foundation."

Review Church's History

The afternoon service was to have included dedication of two new windows placed in the front of the church with funds bequeathed by Mrs. Flora Deatrick Deardorff, but due to circumstances beyond control, the windows were not installed prior to Homecoming Day. A service of dedication will be held in the future.

Open house was held in the parsonage from 4:30 to 6:45 p.m., when a light lunch was served by the Woman's Society of Christian Service. Many folks visited the building and the lunch was served in the social room.

In connection with the annual observance, a brief historical sketch of Centenary Church was given as follows: Mrs. Rachel Sweeney was the first Methodist in Littlestown, in the year 1819. The first Methodist class in the community was held in 1827 and the first church was dedicated on Christmas Day, 1845, by the Rev. Thomas McMullin, pastor. In the next few years, there was a Methodist circuit from Littlestown to include Rock Creek, Fairfield, Ortanna, Pleasant Grove, Fountain Dale, Union Mills, at different times. The Rev. Owen Hicks was pastor when the second church, or Centenary, was dedicated and he was followed by the Rev. I. N. Moorehead in 1830. The first parsonage was purchased in 1882; the church remodeled in 1893, when the Rev. J. H. Deible was pastor. The present parsonage was built when the Rev. J. W. Long was pastor in 1908. The Rev. Geo. M. Larnard died while pastor of the

Pilot Is Killed In Airplane Crash

LEBANON, Pa. (AP)—A T-6 Air National Guard trainer plane crashed into a field near Myers-town yesterday, killing its pilot, First Lt. Fred B. Atkins, 6, of Lebanon.

Atkins, a member of the 48th Fighter Bomber Squadron, Air National Guard, was on a routine training flight out of Spaatz Field, Reading, when his plane went into a spin.

State police quoted witnesses as saying that the plane headed for a building on which a carpenter was working, then veered off and struck a tree, falling into a field on the farm of Wayne Gassert. The accident was under investigation.

church in 1905 and the Rev. Hugh Strain while past pastor in 1920. The church was rededicated in 1912 by the Rev. W. E. Watkins, pastor. Following the death of the Rev. Mr. Strain, his son, Rev. Samuel W. Strain continued his father's work. The Methodist social hall was dedicated in 1925 by the Rev. D. L. Stenger, pastor. The Rev. D. D. Kauffman followed in 1933. When the Rev. Robert Sheehan was pastor in 1946, a new oil heat furnace was installed in the church. The interior was redecorated and a new electric organ purchased in 1948, when the Rev. Grantas E. Hoopert was pastor. Parsonage improvements were made by the Rev. Harvey D. Simons, who preceded the Rev. Mr. Stenger. Since his coming this summer, the Rev. Mr. Stenger has completed the social room of the parsonage, and made other improvements, including the installation of gas heat in the parsonage. The Rev. Mr. Stenger acknowledges and thanks all those who made the Homecoming Day possible and such a huge success.

Today's Talk

THANK YOU, PLEASE, I'M SORRY
Many years ago, I attended the theater, witnessing that remarkable play "Abraham Lincoln," written by John Drinkwater. It was beautifully done, but one thing remained in my memory—the "Thank You" of Lincoln that was habitual, and always uttered in the kindest of voices.
We can say "Thank You, Please, I'm Sorry," but their significance lies in how each comes out of the heart. That little word "Please" can be so uttered that it almost melts all other opposition. And all possible anger is immediately snuffed out when you are sorry—and mean it.
How very much we miss the little courtesies when they are absent. Politeness is something that should never go out of style. The world needs its warmth and its uplift. I like the fine sportsmanship as exemplified in so many of our athletic contests, notably our college events. I like to witness the cordial hand-shake of the two managers of a baseball club, or the captains of a football team.
"Thank You, Please, I'm Sorry," are companions, and everyone of us should carry them with us as essential equipment. Sincerely used, they bridge many a rough stream. Ever notice how some waiters will take up their tips—even when they are amply generous—and walk away without even a phony "Thank You?" Then there are others who pay no attention to the amount left for them, but who make you glad that you were served by them.
The little courtesies are always important. Notably so in our daily traveling and contact with people, especially strangers. It's the way we conduct ourselves in public that gets us a return in pleasantness and good cheer. I dine at a nearby restaurant largely because the people there are so pleasant and courteous. The food tastes better!
Tomorrow Mr. Adams will talk on the subject: "I've Scattered Books"

Out Of The Past

From the Files of the Star and Sentinel and The Gettysburg Times
ONE HUNDRED YEARS AGO
The Cemetery: The opening ceremonies of "Ever Green Cemetery" took place on Tuesday morning (November 6) in the presence of a large number of ladies and gentlemen. Appropriate addresses were delivered by Rev. J. H. C. Dosh and D. McConaughy, Esq.—Revs. Ziegler, Gerhart and Dr. Krauth, conducting the religious exercises. The vocal music, under the superintendence of Mr. Potterfield, contributed much to the interest of the occasion.
In the afternoon there was a public sale of choice for lots. The bidding was spirited, 118 lots having been sold, near \$100 in premiums being realized therefrom. The sale was adjourned to Saturday, the 25th instant, at 1 o'clock, P.M.
We were especially gratified to notice that a number of the lots disposed of were taken by persons residing in the county.—Star.

Just Folks

AFTER THE GAME
Did it matter very much—
That your favorite team was beaten?
Did your life it gravely touch?
Was your supper left uneaten?
Did your plans it rearrange?
Though the day was one of sorrow,
Did this certain fact it change:
You must go to work tomorrow?

They were boys who gave their best
To the end from the beginning.
All were eager for the test.
Everyone intent on winning.
There was none who wished to lose.
None deliberately faltered
Or evaded bump and bruise,
But was most important altered?

Yes, I want my team to win.
When it happens that it couldn't.
At the moment I don't grin.
But disturb me long it wouldn't.
After all it's just a game
For the loser and the winner.
And since life remains the same,
I go home and eat my dinner.

SEVENTY-FIVE YEARS AGO
Tuesday Night: The election in Gettysburg was hotly contested all day, the Democratic workers being out in force, trying to stop the revolt in their lines and directing their efforts especially against Mr. Swope. After the closing of the polls, both parties repaired to headquarters—the Republicans to the McClellan House, the Democrats to the Globe Inn. Telegrams of Republican victories in Pennsylvania, New York, Massachusetts and other states began to pour in—the lights went out at Democratic headquarters—and the Republican drums began to beat, arousing slumbering citizens and telling them story of Democratic disaster.

Canners Rally In Second Half To Jolt Dallastown 21-12 In Laurel Contest

LAUREL CONFERENCE

	W.	L.	T.	Pts.
Littlestown	4	0	1	9
West York	4	0	1	9
Biglerville	2	2	0	4
Kennard-Dale	1	3	0	2
Susquehannock	1	3	0	2
Dallastown	0	4	0	0

Biglerville High came from a 12-0 halftime deficit to defeat Dallastown's footballers, 21-12, Saturday afternoon at Dallastown. After playing a lack-luster first half, the Cannners unleashed a powerful third-quarter ground attack which completely overwhelmed the host Wildcats.
The win gave Biglerville a two and five record for the season, but a two and two slate for Laurel League Conference play. This puts them in third place in the conference, one game ahead of Kennard-Dale, which was upset last Saturday by Susquehannock, 13-0. Biglerville closes its season next week by playing Kennard-Dale at Fawn Grove.
While picking out a standout in the Cannners' triumph is difficult, a large share of the credit should go to Wallace Rice, the T-formation quarterback. Rice handled the second-half attack smoothly, faked beautifully and mixed his plays well, to keep the opposition off balance. He used halfbacks Nelson Weber and Dave Slaybaugh, and fullback Paul Little, all of whom ran well, and scored one touchdown apiece.
Bigger Line Shines
The Cannner line opened the holes for them, while stopping Dallastown's ground game entirely. As usual, tackle Ken Pitzer often broke through to nail the ballcarrier in his own backfield. Pitzer also placed-kicked the three extra points.
Fullback Jim May and quarterback Gene Shaeffer missed the game, and will not play next week. May broke a bone in his leg and Shaeffer tore a ligament in his knee recently against Susquehannock. Halfback Bryant Rose was also out due to illness but he is expected back for the finale.
The only threat in the first period came when Dallastown took the ball on their own 46 and drove overland to the Biglerville 32, where a fourth-down pass fell incomplete. Biglerville took over, could not make a first down, and punted as the first period ended.
Two plays into the second quarter Dallastown fumbled, and Pitzer recovered on the host 43. Paul Little gained 15 yards by sweeping right end, and a penalty and three plunges gave Biglerville a first down on the 11. But here Bob Dayhoff stopped the drive by intercepting a Rice pass. Two plays later, he quick-kicked to the 36.
The Cannners again threatened, as John Constable gained four yards, and Little five. Then Little, on the same right-end play, drove down to the eight. But two fumbles on successive plays by Cannner backs set them back to the 38. Two passes fell incomplete, and the Wildcats took over on downs.
After a futile ground play, Dallastown quarterback Dale Wise faded back and threw a long pass downfield. End Bill March dashed past the safety man, caught the ball on the Biglerville 40, and looped into the end zone for a touchdown. Wise tried an end run for the extra point but did not make it.
47-Yard TD Run
Biglerville took the kickoff on the 50, but on the first play Ken Baltzley pitched a pass into the arms of Max Stein. Dallastown halfback, who took off for the right sideline and raced 47 yards to score untouched, making the score 12-0. Pullback Dane Loss's extra-point boot was wide. When the visitors again put the ball in play, Stein again intercepted, but the half ended before any further damage could be done.
It is not known what Coach Bill Coradetti told his wards, but it looked like an entirely different team that came out in the second half, and virtually chased Dallastown from the field.
Taking the kickoff on their own 44, they hit the center of the line four times, grinding down to the Wildcat 37. Then Weber, taking the ball on a delayed back, picked a hole through left tackle, and kept...
The doctor said that death had occurred about three hours previous to the discovery. The cause of death was found to be cerebral hemorrhage.

on going, for a touchdown. Pitzer converted, to make the score 12-7.
Dallastown took the kickoff and two ground plays netted five yards. But fullback Dane Loss, fading back to pass, was tackled 13 yards behind the line of scrimmage, and on the next play he punted to his own 35. Halfback Ronnie Koontz returned the punt to the 26, and the Cannners were rolling again.
Little Talies
With Rice faking and handing off, Weber gained four yards through center. Then Slaybaugh, going through the same spot, drove down to the eight. Weber bulled his way down to the one on the next play, and then Little took a pitch-out and turned right end for the score. Pitzer again converted, giving Biglerville a 14-12 lead, their first of the day.
Dallastown took the kickoff on their 16. Three plays netted a five-yard loss. Loss punted to the 47, and the Cannners were once more unstoppable. Slaybaugh hit the center of the line for 10 yards. Then Weber gained five on a crossback, and Little nine more. Two plays later, Slaybaugh, on a reverse, swept left end to the 13, as the third period ended.
Little, on the right end pitchout, drove to the one before being belted out, and then Slaybaugh, after two fake backs, scored standing up. Pitzer booted his third conversion, making the score 21-12.
Halted At 20
The Wildcats took the kickoff, but were helpless, and punted to the Cannner 33. Once more the Cannners started rolling but ran out of steam on the host 20, and Dallastown took over. This time they took to the air. Loss completed two long passes, to give the Wildcats a first down on their own 47. But center Bob Clark intercepted the next pass, to end this last threat by Dallastown.

Football Player Is Fatally Injured

UPPER MARLBORO, Md. (AP)—Frazier Taylor, 22, of Brookline, Mass., a tackle on the Lincoln University football team, was fatally injured Saturday when the car in which he was riding overturned near here.
Police said the vehicle was driven by William A. Hunter, 35, a football coach at the university near Oxford, Pa. He was freed in bond pending a court appearance on charges of reckless driving and manslaughter. Hunter was quoted as saying he lost control of the car when blinded by the lights of another car.
Taylor succumbed yesterday in Prince Georges County Hospital.

CALL ARKANSAS "CINDERELLA" TEAM OF 1954

By ED CORRIGAN
Whatever happens in the fading weeks of the season, the University of Arkansas will go down in the books as the Cinderella team of 1954.
Ignored in preseason forecasts, the Razorbacks today rode their lofty perch atop the tough South-west Conference and needed only one more victory to wrap up their first crown in 18 years.
In September, the talk was all Texas, Rice and Baylor. Bowden Wyatt and his young team were regarded as being a year away from anything even resembling success.
New Championship
Texas, in fact, was tabbed as the most overwhelming favorite in 40 years to win the conference championship.
When Arkansas whipped Texas in its fourth game of the season, the Razorbacks tabbed themselves as definite title threats. Now they need no more than a tie against Southern Methodist, itself a surprise power, this week to win the championship. They beat Rice 28-15 Saturday.
The Razorbacks have sailed through seven foes and, with three still to go, are one of the five undefeated, untied major teams in the country. If they get past SMU, they should coast the rest of the way against Louisiana State and Houston.
For the other powers among the unbeaten, the road is becoming easier, although not completely clear. UCLA, the No. 1 team in the weekly Associated Press poll, has only one more game to play. That is against Southern California in two weeks. The Trojans, although Rose Bowl bound, hardly are in UCLA's class. UCLA did itself no harm with a 41-0 rout of Oregon Saturday.
Ohio State, which emerged from the Big Ten scramble as the logical Rose Bowl candidate, boasts a 6-0 record and still plays Purdue and Michigan. Both teams have been in-and-outers all season.
Oklahoma Can't Lose
Oklahoma, it appears, never will lose again. The Sooners go on and on, sometimes looking good and sometimes seeming to lose interest. They slugged Iowa State 40-0 Saturday and now have to skip over Missouri, Nebraska and Oklahoma A&M. Nebraska is the only foe that could make it interesting.
Cincinnati is the fifth all-conquering team, having run up an 8-0 record. But the Bearcats are in the gravest danger of all five. They play once-beaten Wichita this week and Miami of Ohio the following Saturday. Miami scored a major upset Saturday by edging Indiana 6-0.

3 STATE GRID ELEVENS KEEP SLATES CLEAN

By THE ASSOCIATED PRESS
Pennsylvania's three unbeaten college football teams—Carnegie Tech, Juniata and Pennsylvania Military College—edged closer to all-winning seasons in a weekend which saw Tom Hamilton's magic as a fill-in coach at Pitt fade before powerful Ohio State.
Carnegie Tech whipped Washington and Jefferson, 21-0, and now must face Lehigh—a team with an unimpressive 2-4-1 record, but which figures to give the Steel City university a rough afternoon.
Juniata edged Grove City in a scoring duel, 29-20. Swarthmore is next on Juniata's schedule. PMC had a busy Saturday against a surprisingly stubborn Dickinson team, but won 6-2 Lebanon Valley (6-6), next on the PMC schedule, figures to be an easy opponent for the Cadets.
Pitt, which had knocked off Navy, Northwestern and West Virginia under Hamilton, subbing for ailing Lowell (Red) Dawson, was over-matched against Ohio State, riding high in the Big Ten. The Buckeyes whipped the Panthers, 26-0. Pitt next travels to Nebraska to take on the Cornhuskers, who are eyeing an Orange Bowl bid.
Penn State rolled to its fifth victory of the season, trouncing Holy Cross 39-7 with Lenny Moore setting a new university season ground gaining record. The Nittany Lions face Rutgers next in a tune-up for the big game the following week with the Pitt Panthers.

In Philadelphia, the glamour eleven of college football, Notre Dame, whipped the University of Pennsylvania, 42-7, though the winless Quakers (0-7) showed unexpected punch in the first quarter.
Bucknell, which fell from the unbeaten ranks the previous week-end, dropped its second straight, losing to Colgate 20-14. Delaware, a world beater early in the season, fumbled the ball 10 times and lost to Gettysburg, 14-13, in a Middle Six Conference game.
In other games: Muhlenberg and Lehigh battled to a 20-20 tie, Drexel whipped Western Maryland 34-13, West Chester trounced Millersville 52-0, Lafayette was surprised by Rutgers 7-0, Villanova lost its seventh of the season, 38-6 to Boston University, Temple defeated Brandeis 27-0.
Once beaten Scranton rolled over Franklin and Marshall 40-12, Shippensburg mauled Cheyney 60-0, Bloomsburg defeated Clarion Teachers 21-12, Clarion shut out Slippery Rock 36-0, Moravian walloped Ursinus 47-6.
Geneva laced Lycoming 31-7. Once-led, once-beaten National Aggies edged Gallaudet, 13-0; Westminster scored its fourth win, a 49-14 affair with Allegheny; Capital surprised Thiel, 20-7; winless Lebanon Valley finally scored two touchdowns in a game but lost to Albright, 21-14; East Stroudsburg lost to Cortland, 18-0; Wagner scored a 13-0 Alumni Day win over Susquehanna; Mansfield tied Lock have, 6-6; Johns Hopkins squeaked by Swarthmore, 20-19; Haverford lost to Union, 3-19; Lincoln ran wild against St. Paul 39-19, and in a Sunday game, Kings handed St. Vincent's its seventh straight defeat, 18-6.

FATALLY WOUNDED
READING, Pa. (AP)—Harrison Hoover, 20, of suburban Hyde Park was fatally wounded Saturday when his younger brother's shotgun accidentally discharged, police said.
Muhlenberg Twp. police said Hoover and his brother, Hayden, 8, were returning from a hunting trip when the accident occurred. Harrison Hoover was struck in the abdomen. No charges were filed.

Collect \$356 For Wiring Of Field

A total of \$356.53 was collected Friday evening by house-to-house solicitors for funds to help pay the expense for the overhead wiring on the Littlestown Memorial Field.
Two sections of the community, one side of West King St. and one side of East King St., were not canvassed Friday evening and the residents of these sections will be contacted this evening for a donation.
Next Friday several of the volunteer solicitors will be in the center of town to accept contributions from anyone who has not been contacted. Solicitors also will have booster tags at the football game between Delone Catholic and the Littlestown Thunderbolts Friday evening at Memorial Field.

principle... The world which our humanism has built is a terribly shaken world." To emphasize this point, Dr. Baughman described a cartoon which appeared just after World War II. The cartoon showed a burned out globe, its gutted framework surrounded by the mushrooming cloud of the atomic bomb and by skelton-like figures. One of the figures using a telephone transmitter was saying, "Hello, hello, if there's anyone left alive, I'd like to form a world league to outlaw future war."
The Lutheran clergyman stressed, "A world that has allowed it to be obscured by its skyscrapers and is today trembling in its most nightmarish dreams needs the interior buttressing that only God, faith and spiritual culture can give."

Wins X-Country Title On Saturday

STATE COLLEGE, Pa. (AP)—Dale Fauser of Ambridge High School won the 15th annual Pennsylvania Interscholastic Athletic Assn. cross country championship Saturday in the record time of 10 minutes 52.4 seconds. Fauser cut nearly two full seconds from the old mark set in 1949 by Ted Garrett, also of Ambridge.
District 7 took district team honors with five men in the first nine, followed by Districts 1, 8, 3, 6, 4, 10 and 5. Altoona High was first with Williamsport second and New Castle third.
Individual runnerup was Juer-gen Saalman of Haverford High who also cracked the old mark, finishing in 10 minutes, 54 seconds.

G-BURG MATMEN MEET TERPS IN YORK BENEFIT

YORK, Pa.—Wrestling and basketball will share an equal part of the program here on Wednesday, January 5, when four Eastern colleges journey to York to participate in the eighth annual charity Sports Night.
Sertoma Club, an international service club, announced Saturday that the University of Maryland and Gettysburg wrestling teams have agreed to perform for a York audience this season in addition to a collegiate basketball game between Lebanon Valley and Millersville. During the past four years, some 14 Eastern colleges have appeared in York for Sports Night, but up until this year, collegiate basketball double-headers have been the feature attraction.

Sports Night is held annually for the benefit of some local charity and since Sertoma took over the sponsorship of the event last year, the York Girl Scouts have been the recipient. Last year, nearly 1,500 fans at York Junior College saw Gettysburg edge Lebanon Valley 61-60 in a last-second, hair-raiser, and watch Swarthmore defeat Dickinson. More than \$600 was turned over to the Girl Scouts.

Sports Night event was begun by a York Junior College fraternity, Mu Eta Kappa, back in 1947 for the benefit of its Christmas Charity Fund. Collegiate basketball double-headers were introduced here for the first time in 1950 and among the colleges to participate have been: Delaware, Lehigh, Western Maryland, Loyola, Swarthmore, Dickinson, Gettysburg, Ursinus, Lebanon Valley, Mt. St. Mary's, West Chester and Franklin & Marshall.

Sports Night is one of several charity events under the sponsorship of Sertoma. Tickets will go on sale next month.
Earl Putnam, 305-pound rookie tackle, is the biggest man in the history of the New York football Giants.

Bullets Wing Blue Hens 14-13; Protect Lead With Late Goal Line Stands

By the slender margin of an extra point conversion by Jim Soltesz, a keyed-up Gettysburg College football team pulled a stunning upset here Saturday by edging the highly-touted Delaware Blue Hens 14-13 before about 3,500 fans.

Touchdown passes in the first and third periods produced the Bullet scores with Delaware retreating with touchdowns in the second and third periods but missing the death-dealing extra point conversion in the third frame when the ball struck an upright and fell outside.

Twice in the final period the hard-fighting Bullets turned back Delaware threats within the shadows of the goal posts to protect their one-point edge.

Early in the opening period Delaware took over on its own 20 via a punt by Bert Avis and moved for four straight first downs to advance to the Gettysburg 22 where Wagner fumbled and a flock of Bullets pounced on the leather.

Beck Blocks Kick
Late in the quarter the Hens were forced to kick from their own 43. Carl Beck, Bullet guard, broke through to block Mergo's boot and Gettysburg took over on the 36 with but 40 seconds remaining in the stanza.

On the first play Frank Gagliardi whipped a 16-yard aerial to Bob Eppelman who was all alone on the 20 and he streaked over. Soltesz booted the first of his all-important extra points.

Delaware roared back to knot the count early in the second period on a drive of 74 yards. Oberg and Wagner carried for a first down on the 38. Miller tossed a pass to Redfield for another first down on the Gettysburg 43. Moneymaker took a pitchout and raced to the 3 before being brought down. After Wagner was thrown for a 2-yard loss, he booted through the line on the next play for the score. Flynn booted the point to deadlock the county at 7-7.

Makes Steal of Ball
A beautiful steal of the ball by Dave Lichtenfeld from Delaware's Zaiser gave Gettysburg the ball on their own 41 early in the third period to ignite the spark for the Bullets' second tally. Bob Eppelman rammed through center for a first down on the Delaware 49. Soltesz, replacing Gagliardi who had been injured, fired a pass to Bill Ward for 15 yards. Lichtenfeld and Eppelman picked up another first down on the Hens' 24. Jim Megee added five yards at right end before Lichtenfeld smashed through center to put the ball on the 14.

Soltesz was dropped for a six-yard loss on an attempted pass but on the next play got off an aerial to Lichtenfeld on the eight from where the latter raced over. Soltesz split the upright with what was to prove the winning point.

The visitors came right back to storm to the Gettysburg four where Miller fumbled and Ward, an excellent performer all afternoon, recovered to end the threat.

Delaware was not to be denied the next time it got its hands on the ball. After the Bullets could not move following the recovered fumble, Avis punted out to Miller who returned to the Gettysburg 31. Moneymaker picked up six yards through the line and then Flynn broke through the line and went 25 yards to hit pay dirt.

The next play spelled defeat for the Hens, their second straight by an identical 14-13 count. Flynn attempted the placement and the ball went high, struck the top of the left upright and dropped outside the posts.

Kick Goes 11 Yards
Forced back deep into their own territory via a pair of penalties, the Bullets kicked from their own four on the first play of the nerve-racking final quarter. Charley Heverly's kick carried only 11 yards and the Hens took over on the 15.

The determined Bullets were equal to the occasion. Wagner was spilled for a three-yard loss and Delaware was penalized five yards for a forward-lateral. Wagner got around end for seven yards but on the next play Ward broke through to drop the same runner back on the 13 as the Bullets took over.

Gettysburg had to make another goal line stand a few minutes later. Delaware secured possession on the Bullets' 47 via a punt and then Miller passed to Grande for 14 yards. Flynn broke away for 16 yards to put the ball on the 17. Flynn picked up 4 yards on his next try after which a Miller pass fell incomplete. Zaiser got 3 on a line plunge and on the final play Flynn attempted to go around end but was spilled at the 11 where Gettysburg took over.

DeSatinck Recovers
With about three minutes remaining the Bullets were forced to kick and Miller returned to the Gettysburg 45. Two plays later Barry DeSatinck, tackle, recovered a fumble

Bucknell became the champion of the mythical Middle Six League Saturday when the Gettysburg College Bullets nipped Delaware 14-13 to eliminate the Hens who were last year's titlists.

The Bisons' only remaining game is with Delaware and regardless of the outcome of that game the title goes to Bucknell as the result of four straight victories.

to give Gettysburg possession on its 48 with 2:38 minutes remaining. The Bullets attempted to run out the clock but Heverly was forced to kick which gave the Hens the ball on their own 35 as four seconds remained. A 5-yard penalty for delaying the game was given the Bullets and on the final play Hooper passed to Allen for 5 yards.

As a result of the victory the Bullets have evened their season mark at 3-3 with two games to go, that with Western Maryland here Saturday and the other with F. and M. at Lancaster on November 20.

Delaware has now dropped two after winning their first five. The Bullet triumph was sweet revenge for the 19-7 loss at Newark last year which prevented Gettysburg turning in an unbeaten season. In the 10-game series between the schools the series is now even at five wins apiece.

Megee Makes Substantial Bullet Gain

Jim Megee, (57) diminutive left halfback for the Orange and Blue Bullets, is shown making a substantial gain around his own left end in Saturday's clash here with Delaware which the Bullets won. In tandem pursuit of the fleet-footed back are four Delaware huskies, Butcher, tackle, 75; Weiss, guard, 63; Mergo, tackle, 72, and Redfield, end, 89.

Littlestown Drubs Cadets 33-0 To Remain Unbeaten; Completely Outclass Foe

Littlestown High School's undefeated Thunderbolt football machine ground out its sixth victory of the season by completely outclassing the Carson Long Cadets 33-0 at New Bloomfield Saturday afternoon. The Bolts scored in every period and missed many other golden opportunities to tally as the result of fumbles.

A pair of Littlestown players were slightly injured but will undoubtedly be ready to face Delone Friday night at Littlestown. Fred Busby, end, suffered strained ligaments in his leg and Jim Zulk, back, had several teeth chipped.

In the opening period the Bolts drove 60 yards down field with Jim Zulk scoring on a 12-yard reverse. George Snyder's kick for the extra point was good.

Midway through the second period the Thunderbolts scored on a 40-yard pass from Jim Zulk to Dean Selby after moving the ball from the Littlestown 38. Len Potter was stopped dead at the line of scrimmage as he tried for the extra point.

40-Yard TD Return
Near the end of the third period Don Kump returned a punt 40 yards to score another "Bolt" touchdown. A hand-off from Don Kump to Tom Gouker was good for the extra point making the score 20-0.

Early in the fourth period Don Kump picked up a punt and raced 40 yards to the Carson Long 12. Kelly Pottoff, 130-pound freshman back, raced over from the 12 for the touchdown. George Snyder's kick for the extra point was wide.

In the final minutes of play Ozzie Kress intercepted a pass on the Carson Long 35-yard line and returned it to the 5 where he was knocked out of bounds. On third down Len Potter plunged over from the three for the score. George Snyder's kick for the extra point was good making the score 33-0.

Only once were the Cadets able to invade the Littlestown side of the field and then the play was called back because of a penalty.

The Thunderbolts, although they scored more points in this game than any previous ones, missed opportunities to score in every period due to fumbles.

Fumbles Halt Hoors
In the opening minutes of play the Bolts had advanced to the Carson Long 10 when a fumble was recovered by Carson Long. In the second quarter, George Snyder re-

turned a punt 60 yards for a touchdown but officials ruled a clipping penalty and placed the ball on the Carson Long 15.

The Thunderbolts moved the ball to the Carson Long 7 and then another fumble was recovered by Carson Long. In the third period Don Kump intercepted a Carson Long pass on the Littlestown 40 and raced the ball to the Carson Long 10. On the following play, a fumble on the seven-yard line gave the hosts the ball. Early in the fourth period the Bolts fumbled on the Carson Long 10 after they had taken over on their own 35 and moved the ball downfield.

Next Friday evening at 8:15 a'clock the Thunderbolts host the Delone Squires at Memorial Field in a Booster Night affair to end the season.

HERSHEY BEARS BEAT BUFFALO

By THE ASSOCIATED PRESS

The Hershey Bears defeated Buffalo 4-1 last night—moving into a first place tie in the process and pushing the Bisons into last place.

And yet, before the game, Hershey had led Buffalo by a scant point in the standings.

The race is this close: Hershey and Cleveland have 14 points, Providence 13, Springfield and Pittsburgh 12 and Buffalo 11.

The Springfield Indians won a 6-5 overtime contest from the defending champion Cleveland Barons when Walt Atanas scored his third goal of the game at 9:17 of the sudden-death period. Atanas' hat trick spoiled a four goal effort by Eddy Olson of the Barons.

A 1-1 tie between the Pittsburgh Hornets and the Providence Reds was broken wide open by three Hornet goals within 58 seconds in the second period. The Hornets went on to win, 6-2.

SUNBURY AND DANVILLE ARE NEW LEADERS

By DICK HOENIG

HARRISBURG (AP) — Two more teams are wearing new conference crowns today following the last full weekend of schoolboy football action for 1954.

New champions are Sunbury of the Keystone Conference and Danville of the Susquehanna Conference. Sunbury last held the Keystone title in 1952 while Danville was Susquehanna victor in 1951.

Sunbury succeeded defending champion Pottsville by licking Shamokin, 18-0, for league win No. 4 against no setbacks. All other Keystone entries except Mount Carmel (ineligible for the championship this season) have lost, at least once.

Danville came up with its first victory over Lewisburg in over 30 years, 20-6, to virtually clinch first in the Susquehanna although final point ratings won't be released for some time. The Ironmen led the league by 219 points before winning their seventh straight in the conference and ninth of the year. Lock Haven won the league title the last two years.

Carry Is Toppled
Meadville, champion of the Section II Conference and the only other major league winner in the state to date, replaced Corry, 1952 and 1953 titlist.

New Castle and Sharpsville registered weekend triumphs that upset the apocryphal on two long streaks.

Sharpsville nipped Greenville, the annual District 10 Class A champ, 12-7, to prevent the Trojans from becoming the first major school to close out 1954 with an all-victorious slate. Greenville won its first eight before the skein was snapped.

It was the third straight year Greenville finished beaten once. Millcreek was the spoiler last season and Brookfield, Ohio, in 1952.

New Castle won its sixth game against three losses in downing Hightstown, the dethroned WPIAL Double A co-champ, 21-13. It was the first time in 24 games since mid-1952, when Butler turned the trick, that the Tigers were beaten. They had been tied three times.

West York Wins
On the other side of the won-lost picture West York beat Shippenburg, 21-0 and Lock Haven nipped Tyrone, 14-12, for 16 straight contests in which both Tyrone and Shippenburg have failed to win.

A number of west central and western Pennsylvania eleveners completed their 1954 schedules over the weekend, ninth of the campaign. However, regular season games for some central and most eastern Pennsylvania teams run through Thanksgiving Day.

Steelers Disappoint
The ease with which the Giants knocked off the Steelers came as the big surprise of the day although the Rams' win over the 49ers was not what the experts expected. They had tied 24-24 earlier in the season. But without a doubt the 49ers missed the injured Hugh McElhenny yesterday as they slowed down after scoring 17 points in the first period.

The Giants, rebounding from their defeat by Cleveland, picked up two points early in the game on a safety and never let up the pressure. Chuck Conerly, exploiting Pittsburgh's weak defense to the fullest, tossed three touchdown passes, and Eddie Price, who ripped off yardage by the chunks, went over from the two for the other. Conerly completed 13 out of 20 aerials.

The Eagles used the same tactics to defeat the Cards. Bobby Thomason tossed to different receivers for three of the touchdowns. One Cardinal touchdown came on a 59-yard run by Ollie Matson. The Cards "one-man gang" became ill after the game and was thought to have suffered a concussion, but left with the team for Chicago where he entered a hospital for observation.

DOUBLE BILL ON TV IN BOXING

By The Associated Press

Gene (Cyclone) Fullmer, 23, highly touted and unbeaten Utah middleweight prospect, makes his Eastern and network television debut tonight against muscular Jackie La Bua of New York at Brooklyn's Eastern Parkway Arena.

The bout on ABC-TV is scheduled for 10 p.m., EST.

The West Jordan youngster, an Army veteran of the Korean campaign, has won all 24 of his pro fights, 19 by knockouts.

He will get a good test from La Bua, one of the better young middleweights around New York. Jackie has a 23-5 record.

MALENKOV AND BOHLEN CHAT AFTER DINNER ON ANNIVERSARY

MOSCOW (AP) — Soviet Premier Georgi Malenkov and U. S. Ambassador Charles E. Bohlen dined at the same table last night and talked seriously for half an hour afterwards. The occasion was a big Kremlin banquet celebrating the 37th anniversary of the Bolshevik Revolution.

The traditional Red Square military parade lasted only 20 minutes this year, and an air show was canceled because of an overcast sky. A speech by Defense Minister Marshal Nikolai Bulganin avoided the usual blasts at the United States.

The conversation between Bohlen and Malenkov, amid the hubbub of the party for 2,000 ranking Soviets and foreign diplomats, was the first time the two had gotten together since Stalin's death.

No Business Transacted
Questioned later by reporters, the American envoy gave no hint what they talked about. He said only: "No business was transacted."

An hour-long talk that Malenkov and Communist Party Secretary Nikita Khrushchev had with Yugoslav Ambassador Dobrivoje Vidic a little later stirred almost as much curiosity as the Bohlen-Malenkov talk. Earlier anniversary speeches by Soviet leaders had hinted at a revival of friendship with Yugoslavia, the only Communist country outside the Soviet bloc.

The gala dinner party, in the Kremlin's ornate St. George Hall, wound up a two-day celebration of Russia's biggest holiday.

Singling Host
Foreign Minister V. M. Molotov, smiling host at the affair, proposed that "both Soviet and American diplomats should strive for better understanding between our two countries."

Bohlen complimented Molotov as the "most experienced diplomat in this room" and drank to his "next visit to Washington." The American

Governor Umstead Of N. Carolina Dies

DURHAM, N. C. (AP) — Gov. William B. Umstead, 59, who had been ill since he took office less than two years ago, died in Watts Hospital here yesterday. He suffered heart trouble and pneumonia.

Umstead, a life-long Democrat, had served as U. S. representative and senator and was elected governor in 1952.

He will be succeeded by Luther H. Hodges, 56, elected lieutenant governor in 1952 in his first political venture.

can envoy then leaned back in his chair and pointed out to reporters that this actually was not an invitation.

Molotov told French Ambassador Louis Joux that he wanted to drink a toast to Paris "although I am against the Paris agreement." He was referring to the recent treaties to bring a rearmored West Germany into the Western Alliance.

Asked About Few
Joux replied that he hoped as mutual understanding grew between France and Russia he would be able to explain the Paris accords to Molotov.

U. S. Rep. Victor Wickersham (D-Okla.) was among the guests who shook hands with Malenkov when the Soviet government chief strolled around the room after dinner.

Wickersham, in the Soviet Union on a tour, said Malenkov asked: "You Americans have no fear of us?"

"No, we have not," the congressman said he replied.

Warns Of Warmongers
Bulganin made no direct mention of the United States in his speech following the Red Square military review. This was in contrast with last year, when he attacked America as warlike.

Speaking from the top of the Lenin-Stalin Tomb, the defense minister told the overcast-clad throng in the chilly square that they must keep building Soviet defenses because "everywhere warmongers are still continuing and increasing their activity."

He praised the armed forces, which he said "in their autumn maneuvers employed all kinds of modern weapons showing that the military preparedness of our country is on a high, modern level."

Bulganin also congratulated the Russian people on their economic progress of the past year.

Bohlen said later he considered the speech mild on foreign affairs. The civilian section of the traditional parade lasted less than three hours. In the days of Stalin, it had taken up to seven hours for the massed marchers to pass the reviewing stand.

Question Plan To Concentrate Military High Command At Little Pentagon In Event Of Attack

By ELTON C. FAY
WASHINGTON (AP) — The military, with an eye on the hydrogen bomb, is taking another look at plans for alternate emergency command posts if the capital faces air attack.

Questions have been raised, it was learned today, over the wisdom of concentrating the military high command at a single location, such as the man-made cavern in western Maryland.

While that underground installation would be used for its original purpose of a central emergency communications center, it might not become the temporary headquarters for the entire Joint Chiefs of Staff and military commands of the three major services — an alternate Pentagon.

Re-Evaluation
Instead, consideration has veered lately toward a dispersal of the headquarters of the several armed forces to separate points outside the capital area. Initial thinking was toward use of established military centers, such as Ft. Belvoir, Va., about 15 miles south of the District of Columbia; Ft. Meade, Md., about 20 miles east; and Norfolk, Va., 150 air miles to the south.

But a re-evaluation of the potentialities of the hydrogen bomb, made after the giant test explosion at the Marshall Islands proving ground last spring, apparently has brought new ideas about the blast destruction. Estimates of the zone of major damage from H-bomb blast effect alone run as much as 150 miles from the point of detonation.

Need Greater Dispersal
While the underground installation at Ft. Ritchie, about 70 miles northwest of Washington in Frederick County, Md., presumably would escape the blast of a bomb

underwent its first major depression. Many demanded that a program of heavy federal spending be adopted. That led President Van Buren to make some observations that are as timely now as they were then.

He said: "All communities are apt to look to the government too much. This ought not to be. The framers of our Constitution . . . wisely suggested that the less government interferes with private pursuits the better for general prosperity."

"It is not the government's legitimate object to make men rich or to repair, by direct grants of money or legislation, losses not incurred in the public service."

The nation never was given wiser advice.

Pieces of paper are one of the reasons why the cost of government has reached a statistical stratosphere. The paper in question consists of government records.

According to a Hoover commission report, each year 9,800,000 pieces of paper are produced or accumulated by the federal government. Salaries and material costs for an estimated 485,000 clerical persons doing the producing and accumulating come to \$2,800,000,000. To house the records, some 3,000,000 filing cabinets would be required. And it is estimated that as many as 250,000 clerks may be engaged in classifying, filing and searching these current records, at a cost of \$1,170,000,000.

The Commission has established a new Task Force to deal

Says Snakes Are Malignant Creatures

MERIDEN, Conn. (AP) — George Powell can't understand why people hate snakes so much. "None of God's creatures are more malignant or more misunderstood than snakes," he says. "People think they are slimy; they're not. They are dry and scaly."

"People think snakes go out of their way to attack human beings. No such thing," says Powell. "Some North American snakes will fight if cornered, but they are looking for a chance to get away fast."

Powell has five snakes as pets—three rattlers and two copperheads.

with the problem of reducing the volume of pieces of paper so created.

The point is that, when it comes to trying to cut down government waste and non-essentials, even seemingly small things can be almighty important in the aggregate.

Dean W. I. Myers, College of Agriculture, Cornell University, recently said: "The American way is the free-choice system of private competitive enterprise. It is a profit and loss system. It gives freedom to make a profit or to go broke if you cannot meet competition. . . . There is keen competition among business firms in all lines and it is steadily growing keener. To meet competition successfully businessmen are cutting costs, increasing efficiency, and are intensifying efforts to sell their products."

The consumer can see this on the retail level, where stores of every size and kind are going all out seeking consumer favor. To quote Dean Myers once more, "Competition is the motive force in our steadily rising standard of living."

Formerly Black
Up to that time, the bridal carriages were black.

Gustav Schoene, proprietor of the oldest and largest firm supplying the carriages, says that white is now overwhelming preference of Berlin newlyweds.

Schoene claims his white carriage was the first of its kind in Berlin and was first used six years ago by the American sergeant and his bride.

The idea caught on so well that a German song was written about it with the title "Eine Weisses Hochzeitsschnecke" (A White Wedding Carriage).

15 A Week
Schoene supplies carriages for an average of 15 weddings a week but says, a bit ruefully, that only two or three of these use the deluxe four-horse rigs.

Schoene's firm was founded by his father in 1894 and has been run by three generations of the family. He is at present assisted

WHITE CARRIAGE MAKES STYLISH BERLIN MARRIAGE

BERLIN (AP) — The way to get married first class in Berlin is to hire a white, rubber-tired "marriage carriage" drawn by four white horses.

You can get a two-horse outfit for about half the month but your bride might pout at this.

The cost for a four-horse wedding is 95 marks or about 23 dollars. It includes two uniformed coachmen with silk top hats.

Oddly enough, an American army sergeant, Paul Ongstad of Westport, Ore., "founded" the white carriage tradition in 1948 when he married a pretty German girl, Ursula Bauer.

Stinnett said he used 18,000 quart motor oil cans for the project. He collected the discarded cans at service stations. They are processed into tin plate shingles in assembly-line fashion. A can opener-like gadget removes the top and bottom. The can is then split down the side, and pressed flat.

Stinnett says his roof, covered 11 years ago, is as good as ever. He says he likes the cheerful appearance of his "tin can village." The only expenditure was for nails—one for each can.

by his two sons, Paul, 28, and Joachim, 26.

Their stables house 24 horses of which 14 are all white. They say they are the only ones in West Berlin who can furnish teams for four white horses or more.

The firm owns seven white carriages, outfitted with white cushioned seats and white silk curtains.

According to custom, the marriage carriage calls first at the home of the bridegroom, then collects the bride and proceeds to the church.

After the ceremony, the couple returns in the carriage to the bride's home for a reception.

Schoene also supplies automobiles for weddings but he considers them new fashioned and not very romantic.

Shingles His Home With Old Tin Cans

SAWYER, Okla. (AP) — T. F. Stinnett, a life-long do-it-yourself exponent, has shingled the roof and sides of his home and all his farm buildings with tin cans!

Aged Apache Scout Looks For Uniform

ISLETA PUEBLO, N. M. (AP) — Pablo Apache keeps looking for his uniform and waiting for his pension check—for service as a scout in the Indian wars and the Philippine Insurrection. Sometimes late at night, frail Pablo rouses his battle scarred body for a vain search of the room where he rests—too old and too sick to take much interest in other things. He is an Apache Indian.

Mrs. Phillip Lucero, his daughter, says Pablo's life is dimming after more than 100 years. He doesn't know his exact age.

He used to tell of battles against leaders of his people who had revolted against the whites. "He used to say Victorio was a great warrior," Mrs. Lucero recalls. "Geronimo, on the other hand, was just a renegade outlaw."

"I believe he is entitled to an Army pension," says Mrs. Lucero, "but I don't know how to go about getting it. When he becomes restless in the night, sometimes I go in there and he tells me he is looking for his uniform. He seems to be living in the past."

BED CAN GO SOFT

NAUGATUCK, Conn. (AP) — A mattress you can make as firm or as soft as you like has been perfected by a firm here. You sleep on a surface of foam rubber supported by an Venelope of air, joined to lateral cylinders of air, the firm says.

The firmness or softness is controlled by regulating the air pressure through a valve at the foot of the bed.

PASADENA, Calif. (AP) — A thief broke a window screen on an office building, reached in, and grabbed for valuables. All he got, the Stanford Research Institute reported, was a notebook of amog control records — "flowmeter calibration charts."

CLOSE SHAVE!

How many "close shaves" have you had on the highway recently?

Sure, lots of us get impatient when we're on a crowded road. We want to pass the car or truck in front whether we have enough clearance or not.

So we follow too close behind. Then, if a sudden emergency crops up ahead—bang!—we're right in it!

11% of drivers guilty of traffic violations in Pennsylvania were following the vehicle ahead too closely.

Keep sufficient distance between you and the fellow in front so that . . . if you have to make a sudden stop . . . you won't go piling into him.

Eliminate those close shaves!

Make 1954 the safest year ever! SLOW DOWN AND LIVE!

CONFLICTING STORIES HEARD IN LAMB CASE

WASHINGTON (AP) — The Communications Commission examiner presiding in the Edward Lamb hearing has heard conflicting testimony from two government witnesses who claimed they once did undercover work in the Communist party at Toledo, Ohio.

Mrs. Lourine King, a brunette divorcee, swore on Friday she joined the party for about six months in 1940 as a part-time employee of Ernest Courcy. Courcy had testified he did undercover work in the party for a private detective agency.

Mrs. King, however, denied she ever collected any money for the party or served on any party committee. And she said she has never met Lamb, a Toledo lawyer, who publishes the Erie (Pa.) Dispatch and operates radio and television stations in Ohio, Pennsylvania and Florida.

"Served On Committee"

Courcy swore on Sept. 28 that Mrs. King was on the Lucas County (Toledo) Communist party finance committee and was with him in Lamb's office when he said a third Communist, Max Wall, collected a \$2 contribution from Lamb for a Communist picnic in 1940. Mrs. King also said she has never heard of Max Wall. Wall on Oct. 29 invoked his constitutional privilege and refused to testify at the hearing.

At issue are allegations that Lamb once associated with communists and gave them money. Lamb has denied the allegations and has offered \$10,000 to anyone who can disprove non-Communist affidavits he has made to the commission. The hearing concerns renewal of Lamb's license to operate television station WUCU at Erie.

Mrs. King recalled going to a Communist picnic with Courcy but couldn't recall he had any special job at the affair. Courcy had said he went to the picnic as bodyguard for Arnold Johnson, then head of the Communist party. Mrs. King said she never heard of Johnson.

Received \$20 A Week

Mrs. King said Courcy hired her and paid her \$20 a week and expenses for her work. Courcy, a native of Syria, did not write English well and employed her to prepare his reports, she said.

Courcy, now a Mercer, Wis., resort operator, said he and Mrs. King were associates, both employed by Arthur (Doc) Secor, a private detective.

Mrs. King said Courcy once told her Lamb was "a Communist attorney." Examiner Herbert Sharfman allowed this remark to stay in the record but said he could not base a finding on it because of its hearsay character.

The hearing resumes Tuesday when the government expects to produce its 14th witness in the seven-week-old proceeding.

School Directors To Elect Officers

HARRISBURG (AP) — Delegates to the annual convention of the Pennsylvania State School Directors Assn. Saturday cast ballots to elect officers for the coming year.

The convention held in conjunction with the annual meeting of assn. of school board secretaries, ended here Saturday.

Officers were elected in the secretaries group Friday night. They were:

Frank E. Finley, Wilkensburg, president, to succeed R. C. Peterman, Williamsport. Finley was vice president last year.

Miss Nancy V. Logan, Nether Providence Twp. school district, Wallingford, vice president, and A. T. Luther, Johnstown, treasurer.

R. E. Boswell, Harrisburg, was re-elected secretary.

Addressing the groups Friday night, Gov. John S. Fine said he hopes "continued improvement and greater advancement of Pennsylvania's educational program shall follow the administration following him."

PIX BY GIRL, 8, ON EXHIBITION

By EDDY GILMORE

LONDON (AP) — A picture by an 8-year-old girl, submitted by her mother as a prank, was placed on exhibition today along with paintings by some of Britain's big name artists.

Here's what happened:

Tania Hunter, the little girl, has a mother and a half-brother who paint — seriously. A few weeks ago they were discussing what pictures they would send to the London Group for consideration as entries in the annual show at the new Burlington galleries.

"Oh," said Tania's half-brother, "mine won't be accepted. I was turned down last year."

Mrs. Bryan Hunter, Tania's mother, shook her head. "Send something along all the same. Some shows accept paintings that might have been done by a child of 8."

Has \$35 Price Tag

She paused as another idea came to her. Little Tania had a painting she'd once done of her Japanese doll. Mrs. Hunter found it and sent it along with some of her own work and her son's — just to see what would happen.

London group officials rejected the work of the mother and the brother, but accepted Tania's and, as picture No. 268, it hangs in the exhibition, with a \$35 price tag on it.

The subject was no laughing matter at the galleries. Inquiries encountered an icy reception.

MOCK ATTACKS

NAPLES, Italy. (AP) — Aircraft of the U.S. 6th Fleet made mock attacks on targets from east Turkey to southwest France today as the Allies opened a new test of Mediterranean defenses.

Greek land and air forces and submarines from the Allied Mediterranean Command also are participating in the exercise, "Hellenic Sky II," aimed chiefly at testing northern Greek defenses.

ADVERTISE IN THE TIMES

SAILOR USES SON AS SHIELD TO BALK POLICE

CHARLESTON, S.C. (AP) — A Charleston sailor held off police for more than two hours on Friday, a cocked pistol pressed against his 18-month-old son's chest. He finally turned the boy over to a detective after he was promised the lad would not be given to his wife, who is suing him for divorce.

The two-hour ordeal occurred when police attempted to arrest Terrence W. Green, 29, on a wife-beating charge. Mrs. Green, 26, said she asked her husband for a divorce Thursday. Then Friday he beat her, she said.

Police went to the home of Green's mother-in-law, Mrs. E. J. Tart. She lives only 200 yards from the Green home in a federal housing development near the Charleston naval base.

Child's Life At Stake

Green, carrying his son, Mike, entered the house. When police attempted to arrest him, Green pulled a pistol and pressed it against the baby's chest. He told police if they rushed him he would kill the child.

Green returned to his own home and finally admitted detective John W. Boggs Jr. Other detectives joined them. The group made three trips between the two houses so Green could talk to his wife. But the officers were afraid to rush

Green because of the gun pressed against little Mike's chest.

Green finally turned the child over to Boggs after the detective promised that Mike would not be given to Mrs. Green. Twenty minutes after he had given up Mike, Green surrendered. He was charged with assaulting an officer.

Mike was turned over to the Charleston County Welfare Department.

Green, a Navy storekeeper, had been stationed in Norfolk, Va., several years. He returned home earlier this week.

TITO GREETES HIS OLD FOE

LONDON (AP) — President Tito of Yugoslavia cabled greetings to the Kremlin Saturday for the 37th anniversary of Russia's great October revolution, Belgrade radio reported.

It was Tito's first recognition of the Communist celebration since his country broke with the Cominform in 1948.

Tito has spoken recently of his desire for a normalization of relations with the Soviet bloc.

Tito's telegram, addressed to Marshal Klementi Voroshilov, president of Russia's Supreme Soviet, sent his "best wishes for the prosperity and development in peace of the peoples of the U.S.S.R."

Anniversary celebrations began in Moscow Sunday afternoon with a giant parade.

POW WRITES HIS MOTHER FROM CHINA

LEWISBURG, Pa. (AP) — It was almost two years ago that Maj. William H. Baumer closed a letter to his mother from Korea saying "I must leave now but I'll write again."

He did write again.

On Friday Mrs. Hurley L. Baumer received a letter from her major son who is being held by the Communists in China.

"He most certainly wrote the letter, that I know, because it is written with his same brand of humor and wit," Mrs. Baumer told a newsmen.

Maj. Baumer was reported missing over North Korea on Jan. 13, 1953.

The last letter Mrs. Baumer received from her 32-year-old Air Force son was dated that very day.

The Union County airman was one of the survivors of a bomber crew shot down because, "according to the Communists, it flew over neutral territory during the Korean war."

Hungry For Mom's Cooking

Letters from Maj. Baumer also were received Friday by his three sisters, Mrs. Alice Moore, Lancaster; Mrs. Ralph Armstrong, Windsor, Conn.; and Mrs. Baylor, Milton.

U.S. Gives \$40 Million To Egypt

CAIRO, Egypt (AP) — The United States and Egypt have signed an agreement giving Egypt 40 million dollars worth of U.S. economic aid. American Ambassador Jefferson Caffery said the pact opened an "entirely new phase in Egyptian-American cooperation."

An official joint statement issued after the signing said considerable economic aid may be channeled into the field of transportation, termed a basic requirement in carrying out Egypt's 10-year economic development program.

The statement said construction of proposed new dams and industries in Egypt is dependent on greatly improved highways and railways.

Baumer in letter to his mother was:

"I can't wait to sink my chops into some of your good cooking."

"This," Mrs. Baumer said, "could only be my son talking."

He mentioned in his letters that he had two colds since he had last written and said that aside from that he has been doing all right.

Mrs. Baumer said she forwarded her letter to the Department of Defense as requested when it was revealed on June 22, 1954, that her son was one of 15 being held in Manchuria by the Chinese Reds.

The letters were all dated Sept. 13 of this year.

Baumer is a veteran of World War II and a graduate of Bucknell University here.

Bonneauville

BONNEAUVILLE — The NCCW of St. Joseph's parish held its regular monthly meeting Monday evening in the parish hall. Mrs. Evelyn Christner presided. Routine business was conducted and reports were given by the various committees.

Plans were discussed for the food collection for the Sisters which will be held on November 28. Plans were also made for the annual Christmas party to be held on Wednesday, December 1. After adjournment, refreshments were served and a white elephant party was held. Twenty-eight members attended.

Mrs. and Mrs. Harry Deane, Washington, D. C., are spending several days with Conrad Deane.

Mrs. and Mrs. Allen Miller, Baltimore, were recent visitors of Mr. and Mrs. Clarence Sneringer.

Mrs. Cloyd Miller and daughter, Jean, and Mr. and Mrs. Alexander Grist spent Sunday evening in Baltimore.

Democrats Lead In York Assembly Race

YORK, Pa. (AP) — Richard O. Hass today has a 14-vote lead over his Republican opponent in the disputed race for state legislature from York County's third district.

Democrat Hass has 8,938 votes to 8,924 for Republican George A. Gooding. The latter is seeking a seventh term in the legislature.

Hass held a six-vote margin until Friday when county commissioners began their official canvass of the voting. However, two more ballot boxes have yet to be opened and counted and 19 military ballots still are unopened.

Two Gas Stations Were Selling Water

WEBSTER, Mass. (AP) — When irate motorists began turning up in droves Friday night, two local gas station owners found out they had been filling gas tanks with water.

After much confusion, a great deal of free towing and carburetor cleaning, the blame was placed on a tank truck shipment made by a Worcester distributor — 1,000 gallons of water to one dealer and 850 gallons to the other.

The explanation was that an empty truck had been filled with water to make it ride more easily when returning from a delivery.

However, someone overlooked that when the truck was hauled out of the company yards to make the Webster delivery.

Aged, Former Nazi Freed From Prison

BERLIN (AP) — Konstantin von Neurath, 81-year-old former Nazi foreign minister, was released Saturday from the Spandau War Crimes Prison in West Berlin.

Governor of Czechoslovakia during the Nazi occupation, Von Neurath was the first of Hitler's lieutenants to win freedom from the four-power jail set up for those who escaped the hangman at the 1946 Nuremberg war crimes trials.

Von Neurath is half blind and suffering from a heart ailment. He walked out of the grim prison into the arms of his daughter.

Since the first U.S. Diesel-powered streamline train was put in operation in 1934, that train has traveled over 2½ million miles.

SACRED CATTLE OF INDIA FACE UP BIG ISSUE

NEW DELHI (AP)—India's cattle, sacred and plentiful, have been classified by the Nehru government as an urgent domestic problem.

Politics, religion and economics are all wrapped up in the bovine issue. The problem takes its most dramatic form in the almost daily parades through New Delhi by Sadhus (Hindu holy men), demanding "a national ban on all cow slaughter." Garbed in saffron robes, their hair and beards curled, these Hindus are as much a part of the capital's landscape as the cattle they seek to protect.

Agitation for a ban on "cow slaughter" is basically religious, for the cow and the bull are the most sacred of animals to the Hindu. The movement popularly refers to "cow slaughter," but its aim is protection of all cattle.

The movement has worked up so much political steam that Prime Minister Nehru has been forced to proceed cautiously on what he considers one of India's most needed economic reforms — the improvement of the country's cattle.

Oppose Cattle Slaughter
Hindu orthodox opposes any cattle slaughter, even of diseased and aged animals, on the grounds sacred beasts should be allowed natural deaths.

Hindu beliefs forbid the eating of beef, provide a role for cows in temple ceremonies and require the cow be worshipped in every home. Sacred cattle are allowed to wander freely through city streets, where they often snarl traffic and upset bazaar stands.

India depends on cattle, perhaps more than any other country, as an important prop of the economy. With much of India agricultural and minus mechanization, the bull plows or hauls loads to markets. Dairy products provide millions of Indian vegetarians their only protein.

The government figures there are some 220 million cows and bulls, or more than one for every two Indians, in the country.

Bucks County Youth, 16, Killed By Auto

NEWTOWN, Pa. (AP)—Robert W. Van Hee, 16, a resident of this Bucks County community, was struck and killed by an automobile Friday night on Route 322 near here.

Police said Van Hee was walking along the highway when struck by the car operated by John Bowen, 27, of Newtown, who was arrested on a technical charge of manslaughter.

Garden And Building News

Rooms Eight
Bedrooms Four
Closets Eight
Cubage 34,000 ft.
Dimensions 65' x 29'

Large and well planned, "The Wyoming" has a distinctive and thoroughly attractive exterior. It contains eight spacious rooms, including three bedrooms plus a den which could be converted into a fourth bedroom.

Because the two-car garage is an integral part of the overall architecture of "The Wyoming," you should have it constructed according to the plans, even though you have but one car. You'll find that the extra storage space will come in handy and perhaps later on your family will have two cars. Then, too, overnight guests will appreciate a protected place in which to leave their car—particularly in stormy weather.

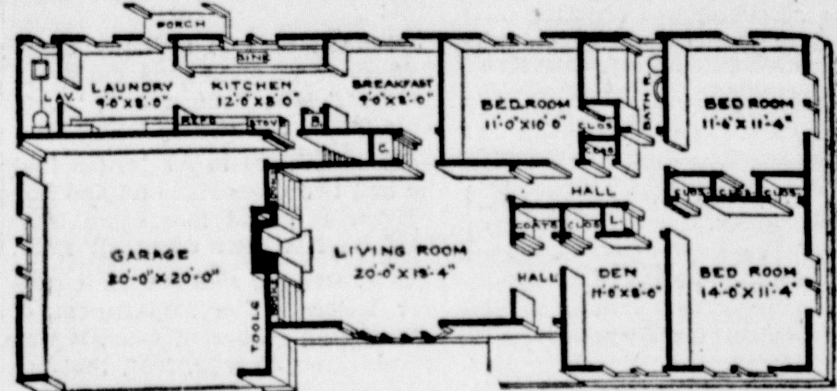

Measuring 65' x 29', "The Wyoming" has a cubage of 34,500 feet. At least an 85-foot lot would be required to hold "The Wyoming." However, a larger lot will permit a greater expanse of land at all sides of the house and will thus set off to greater advantage the low, rambling architectural lines of this ranch style home.

You can use the material that best suits your fancy for the exterior finish of this house—taking into consideration its surroundings, of course. A combination finish, as used in the illustration, will give more of an individual touch to the house's exterior. Colorful roofing can be used effectively to add brightness to the Wyoming's appearance.

The sleeping rooms and the den occupy the right wing of the house; hence, all the rooms where you and your family most desire rest and quiet are in the same section of the house. The advantage of such an arrangement is obvious. Each bedroom, and the den as well, is provided with good sized storage space; with good sized storage space; the master bedroom has two closets while the other rooms have one apiece.

Well lighted and ventilated by one large window in its back wall, the breakfast room is very pleasant. This room can be tastefully decorated and arranged so that it can be used for all family meals. The homemaker will find it easier to serve as many meals as possible in the breakfast room, which opens directly off the kitchen. Then, the dining room set can be placed in the living room to be used for Sunday dinners and more formal occasions. The handsome fireplace, the built-in bookshelves, extending from the fireplace to both the front and back walls of the living room, and the charming bay window in the front wall, all contribute to the decorative charms of the living room. Plan your furnishings and color scheme to take full advantage of these features. Near the bay window would make a very suitable and lovely location for an indoor garden or plant display.

Opening off the kitchen, the laundry is well lighted; the door in the back wall provides convenient, easy access to the back yard. The lady of the house is certain to appreciate the lavatory opening off the laundry. Not only will it come in handy when you're working in the kitchen or bath but it will also prove its worth many times over when the youngsters start "trooping" in and out of the house. You'll find that the lavatory's proximity to the back door

will save a lot of wear and tear on the front of your house; will greatly simplify your cleaning problems.

Since the laundry is located on the first floor in "The Wyoming," the only installation required in the basement is the heating plant. This should be placed under the living room.

Blueprints Available
Complete plans and specifications for this house and all other "Home of the Week" designs are available at moderate cost.

For plan prices, write to the Home Building Editor, The Gettysburg Times, Dept. 18, and enclose a self-addressed, 3c stamped envelope. Allow 7 to 10 days for a reply.

Russian Jet

cannon and machine guns. Feith said his plane lurched. Flames, touched off by gasoline spewing from a wing tank, enveloped the top of the craft.

A 3C Earl E. Weimer, Elkins, W. Va., the tall gunner, said bullet holes suddenly appeared 18 inches above his head.

"I was scared," he said.

All Clear Ship
The MIGs he said, "came straight in on the tail. When they started firing I was looking straight up the MIGs' intake pipes and the cannons underneath the pipes."

Moments later Feith ordered the crew to bail out.

"Everyone cleared the ship," he said. Although the RB29 was armed, Feith said he could see no advantage in returning the Russian fire. His copilot, 1st Lt. David N. Oliver, Corvallis, Ore., said:

"I don't like getting shot at. I was mad. But like the captain said, there was nothing to be gained by shooting at them."

Oliver said just before the bailout he broke radio silence to announce the big plane had been attacked.

Crashes 35 Miles Away
The crew members said the mass bailout occurred over a 10-mile strip as the burning plane floundered inland. It crashed about 35 miles from the attack area, scene of several clashes between U. S. and Soviet planes in past months.

All but one of the men were picked up. The 11th, the second man out of the plane, was found drowned, tangled in his chute. His name was withheld.

In Tokyo, Gen. Hull released this statement:

"With utmost indignation I must denounce the shooting down by two Soviet MIG fighter planes of a United States photographic plane yesterday.

On Peaceful Mission
"Without provocation these pirate planes pounced without warn-

ing upon an American aircraft which was peacefully engaged in a routine mission. Any claim by the Soviet attackers that our plane was over what they consider their territory is completely negated by the fall of the plane and of the survivors who parachuted from it on Hokkaido soil."

Yesterday's incident came just two months after the Russians shot down a U. S. Navy Neptune some 350 miles to the east in what the United States called a "wanton and unprovoked attack."

In July 1953, a U. S. B-50 disappeared over the Sea of Japan and the United States charged the Russians with shooting it down. Another big plane, a B-29 Superfort, disappeared Oct. 7, 1952, in the same general area as yesterday's incident. Japanese fishermen later said they saw Russian planes shoot it down.

Late Double Tulips Bear Flowers Like Peonies

While early flowering double tulips have been grown and admired for 100 years, most of the late flowering varieties now offered, blooming at the same time as the single flowering Darwins, have been introduced since World War II.

They are called "peony flowered," and when well grown their flowers resemble peonies, though never as large as real exhibition peonies can be grown. Compared with the early flowering double tulips they have longer stems and larger flowers.

Early double tulips blossom two weeks or more before the late flowering kind. Like the single early varieties, they were bred for use in formal beds, which the English called "carpet beds." The flowers were used to work out colorful patterns comparable to the designs in carpets. This method has long been out of fashion in this country, though still practiced abroad.

Single early and double tulips were produced by systematic

breeding, before modern plant breeding methods were well known; but the old methods were highly successful, producing flowers uniform in height, color, and flowering season. If the early tulips, single and double, are planted, together with the late varieties, the garden display of tulips can be lengthened by two or three weeks.

Among the peony flowered tulips are red, pink, lilac, dark maroon and white varieties. They are not well suited to planting in formal beds, but fit gracefully into the informal border arrangements which are in fashion now.

A group of late double tulips placed at a focal point in the garden will attract the attention of garden visitors. They are definitely "head-line performers." They should be planted at the same depth as Darwin tulips, and with the same distance between them, and will blossom at the same time.

2 YOUNG JAIL BREAKERS DIE

WOODBIDGE, N.J. (AP)—Four inmates broke out of the Borden-town Reformatory, but the fling at freedom ended in death for two of them.

One was killed and another injured fatally in the crash of their stolen car while being chased by guards last night. A third was hurt seriously in the smashup on U.S. Route here. The fourth was still at large early today.

The car, reported stolen from in front of a tavern about four miles from the institution, rammed into a concrete abutment. The crash scene was about 40 miles from the "medium security reformatory."

Authorities identified the victims as Franklin Saddler, 21, of Iselin, and Alex Zuback, 22, of Perth Amboy.

Saddler, Zuback and Harry Henson, 22, of Woodbridge, and John Blune, 23, of Orange, escaped from the reformatory by breaking a kitchen lock and scaling an eight-foot wire fence.

Two guards from the reformatory came to the northern New Jersey area to check the homes of the escapees. They spotted the stolen car, were joined by a motor vehicle officer and gave chase.

M'CARTHY MAY HAVE TO CHANGE ROUGH TACTICS

By JAMES MARLOW

WASHINGTON (AP) — Sen. McCarthy fights like Henry Armstrong, the perpetual motion man who won three world titles in the 1930s with this stock-in-trade: never stop back, punch, punch, and forget the fancy footwork.

Even the Wisconsin Republican's enemies must concede he is one of the most aggressive politicians of the 20th century. But he has reached a point where he may have to change his style or wind up flat on his political back.

As it turned out, he was a little too rough for his own good. The Senate, four years after he had become a sensational figure, decided it was time to see whether he needed a dressing down.

"The Worst Verdict"

Next to throwing him out altogether, a vote of censure is the worst verdict the Senate could render against him. Throwing him out doesn't seem in the cards.

McCarthy could still vote, if censured. He wouldn't lose his seat, at least before the 1958 elections when his second term ends.

Another man, censured, might be so humiliated he'd turn meek forever. That's hardly in McCarthy's nature. He's naturally too aggressive to take a setback as permanent.

Cannot Afford Oblivion

In fact, he could hardly afford to go back into oblivion again unless he's willing to let his political career end without a further fight. He has no place to go but forward.

But how is he going forward? How is he going to stay in the headlines? By the same tactics that got him into trouble now? The next time the Senate verdict, with the Democrats in control, might be more drastic.

But if his free-swinging style is cramped — if he has to think of the consequences for himself every time he wants to act or speak in the future — will he be the same McCarthy? It's something he has to think about.

Will Fight Somehow

It's possible he may not be able to change, that he's too much himself for that. But that he'll fight, somehow, to keep himself a national figure seems certain. If he loses that, he loses everything.

He's probably already lost some of his following, and much public interest. Reports from the political fronts in the last campaign said he wasn't much of an issue.

MARTIN IN HOSPITAL

WASHINGTON (AP) — Speaker of the House Joseph Martin (R-Mass.) says he will undergo a "thorough checkup" in the Robert Packer Hospital, Sayre, Pa., this week.

Martin said last night that he visits the hospital periodically and that he would enter it tomorrow for an expected stay of two days.

Completes Flight Across Atlantic

PARIS (AP) — San Francisco song writer Max Conrad completed his first nonstop flight across the Atlantic yesterday, landing his light two-engine Piper Apache safely near Paris 22 hours and 23 minutes after taking off from New York's Idlewild Airport.

It was the 49-year-old flier's fifth solo transatlantic flight. He made the crossing to deliver the plane to a French purchaser and to arouse interest among young people in flying.

Young Motorist Is Drowned On Saturday

SHERBURNE, N.Y. (AP) — Harvey Morton Mawhinney Jr., 22, of Endicott drowned Saturday night when his car went through a guard rail at a bridge approach and plunged into the Chemango River near here.

Mawhinney, a former resident of Pittsburgh, was returning from the Colgate-Bucknell game at Hamilton with three passengers when the accident occurred.

The three, reported in good condition at Community Hospital in Hamilton, were his wife Dolly, 22; Lula Karedes, 20, and Nicholas Packs, 27, both of Endicott.

State troopers said Packs helped the two women from the car but was unable to free Mawhinney, who was pinned by the steering wheel.
